Press Note.

Postings and Transfers of Officers.

Comments have appeared in certain newspapers purporting to criticise the policy of Government in effecting postings and transfers of officers, notably in transferring the Commissioner, City of Bangalore Corporation, from his charge within a short interval. Government do agree that continuity is essential in the incumbency of posts like those of the Commissioner, City of Bangalore Corporation, and it is also their policy that officers posted to such charges hold them for a reasonable term so as to carry out or complete important schemes initiated during their term of office. At the present time, however, owing to the extension of the I.A.S. Scheme to the Mysore State and the necessity, under the Scheme, to fulfil certain requirements, the transfer of the present Commissioner, City of Bangalore Corporation, to a District charge was inevitable as only officers who are appointed to the I.A.S. or who have a right to hold senior duty appointments in the I.A.S. cadre have to be posted as Secretaries to Government or Deputy Commissioners in charge of Districts. Government are not unaware of the difficulties and inconveniences arising from frequent change of officers, but in the present case, the exigencies of service demanded a change, and after careful consideration, had inevitably to be ordered.
